MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: [REDACTED]

Deputy Director for Administration

SUBJECT: Federal Executive Institute's Senior
Executive Education Program.

1. You are invited to meet with members of the Senior Executive Education Program of the Federal Executive Institute on 11 June 1981 from 1530-1615. Your remarks might cover the increasing challenges confronting the Intelligence Community in the next decade.

2. This seven-week program, conducted by the Federal Executive Institute, Charlottesville, Virginia, is primarily for officers of the Federal Senior Executive Service. It is designed to meet the varied educational development needs of federal executives who have extended experience in government or as executives outside of public service. This particular week focuses on the making of foreign policy. There will be 18 executives from 15 different agencies.

3. We recommend that you address the group for about 15 minutes, leaving the remainder for questions.
